ADDITIONAL FEEDBACK/ IDEAS
AND LET US KNOW IF YOU WANT
TO GET MORE INVOLVED

PLEASE RETURN THIS BY
MONDAY 18TH JULY

But by the end of the day - we had no less than **29 amazing ideas** and also some important conclusions as to how we might make them work.

- We don't need to do it all ourselves: **partnership working**, with the voluntary sector and others, is key to achieving our ambitions.
- **Our people** need to feel that they have permission to go as far as they can with the ideas that they have and can easily feel or become disempowered.
- **Communication is key!** There's still a lot of work to be done, around communicating the pioneering challenge/task, taking as many people as possible on the journey with us, and developing our profile in the local community.

HOW YOU CAN NOW HELP US

Overleaf you will see a summary of the **29 amazing ideas** - we now need your help us to decide which **YOU** think will help us with our aims and which ones **YOU** want to get involved with

Please feedback and let us know.

We are meeting on **Tuesday 19th July 1-3pm** at **St Dunstan's Church Hall** to discuss further and 'sift' through the ideas and feedback.

WE NEED YOUR HELP!

**IGNITE
22**

WHAT HAPPENED AT IGNITE 22 AND HOW TO GET INVOLVED IN WHAT'S NEXT

Our vision for **Ignite 22** was to create the space for ideas to emerge that our parishes could collaborate on further: ideas that would both develop innovative approaches to evangelistic outreach and seek to address issues around social exclusion.

Our aim is to be a **pioneering community** of churches seeking to **reach out** and **serve** in new ways.

At **Ignite 22** we discussed ideas across

- loneliness and grief
- families and children
- those who are vulnerable

We had hoped that maybe we would get 2-3 ideas/projects we could take forwards
